

A BIT OF HISTORY COMES ALIVE!

Pioneer summer day camp will be a welcome change for your child this summer! Children will experience a simpler way of life at a slower pace as they learn and play just as Colorado children did in the late 1800s. They will enjoy fun and fresh air as they pan for gold, take a horse-drawn wagon ride, and play the games that were played long before the age of television and computers. Summer day campers will have direct and meaningful contact with our 12-acre historic park and Denver's oldest standing house. The log portion, built in 1859, shows the lifestyle of Colorado's early pioneers. The 1883 brick addition illustrates how lifestyles became more prosperous when the railroad brought more fashionable furnishings to town. Come join us for a unique experience!
